

President  
& Chief Executive Officer

May 24, 2005

As President of a Major League Baseball team, the Toronto Blue Jays, I have a very busy schedule.

I have worked with many fitness experts and found Haley to be one of the most dedicated. I highly recommend Haley's pilatecize program for the professional athlete and anyone looking to improve their flexibility, strength, posture, balance and coordination and reduce their injuries.

Haley is a pleasure to work with.

A handwritten signature in black ink, appearing to read "Paul V. Godfrey". The signature is fluid and cursive, with a long, sweeping tail that extends to the right and then loops back down.
